PENALTIES FOR BREACH

Given the serious nature of the current crisis, alongside the need to ensure that The Rushcliffe Golf Club is doing everything possible to meet its duty of care towards all members, visitors, and staff – if anyone is found to be in breach of any of the rules listed below they will be given an initial warning. If they proceed to commit a further breach they will receive an immediate 4-week suspension of membership. These penalties will be applied for the following:

- Anyone found not to be adhering to these rules

- Anyone found to be using abusive or insulting language towards any member of staff

The suspension will be applied immediately by either the Club Manager or Club Professional and will involve the individual losing their access to their HowDidiDo account as well as receiving a ban from visiting the site for 4 weeks. This penalty will not be subject to appeal. Anyone found in further breach will then lose their membership rights and access to the site for a further 4-week period.

NB: the decision has been taken that an immediate 4-week suspension of membership will be issued for anyone found drinking alcohol or socialising in the car park before or after their round of golf. The suspension will apply immediately with no initial warning issued.
